(pronounced Bosch) Parentage Opha—open pollinated, seed from Gilbert Wild and Son Nursery. First bloomed in 1977. Double form lactiflora, all white, stamens light yellow—pollen and seeds. Vigorous. Midseason to late bloom, large deep green foliage. Height 44 inches, 2-3 buds per stem. Stem is strong but it leans with open flower. Registered by Dale Heinzman, Geneva, NY, January 2000. Named for his wife. Seedling # 1460.
