

CHRISTMAS VELVET

Posted on 2017, December 14th by khurtekant

Parentage Mikado x Good Cheer. First bloomed 1987. This velvet red hybrid double ball form has excellent stem strength which supports the flower—no blooms on the ground. Heavy amount of bloom, good foliage. Bloom is located nicely above the bush; vigorous 28-30 inches in height, mid-season bloom. Fragrant. Seedling # H15184.
