

PASTELEGANCE

Posted on 2017, December 14th by khurtekant

Double herbaceous hybrid. Salmon Dream x Lemon Chiffon. First year bloomed 1987. Ploidy-Tetraploid. Pastel creamy-pink double with stamens interspersed throughout and clustered around carpels which are not hidden. Tetraploid. Fertile both ways. 30" height holds flower erect. Large but not coarse semi-glossy foliage, midseason bloom. Seedling # 82SDLC-4.
