(Nathan Rudolph-Roy Klehm), June 25, 1981. Seedling # 63-02; single hybrid, parentage, possibly seed from Lovely Rose; first bloomed 1963. Salmon, single, good substance, stamens, pollen, fragrant, no seeds; 30-inch height, early, good stem strength with foliage lighter green than normal. Intensely salmon-colored hybrid of great promise. The poised, cup-shaped blooms are very appealing and rather large for a hybrid.
